

University of Leeds and Manchester

Year 3

Learning Updates

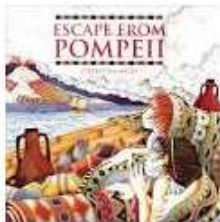

Week ending 21.01.22

English

In English this week, the children have started exploring the story 'Escape from Pompeii' by Christina Balit.

They have learnt about common and proper nouns and identified them within the text. They have written simple and expanded noun phrases and have found some direct speech within the text and our 'First News' articles.

Can you use your knowledge to underline the nouns in the expanded noun phrases?

Other Information

Music

Year 3 are really enjoying our Music unit on China this half term looking at the musical focus of pitch. They have had great fun playing our brand new percussion instruments to the song 'Gung Hay Fat Choy' in preparation for Chinese New Year at the start of next month.

**Well done to all of our year 3
award winners this week!**

Maths

This week in our Maths lessons the children have been working really hard with the tricky concepts of multiplication and division.

Please encourage your child to continue to learn their times tables at home as this will really help to support them further in their learning.
